INTRODUCTION

The admission of international students to Igor Sikorsky Kyiv Polytechnic Institute is carried out in accordance with the provisions set out in the ‘Procedure for Admission to Higher Education in 2026’. The programme has been developed in accordance with the ‘Rules for Admission to Higher Education at the National Technical University of Ukraine “Igor Sikorsky Kyiv Polytechnic Institute” in 2026’.

The entrance examination for international students seeking admission to the third (educational and research) level of higher education consists of an entrance examination in English and an entrance examination in the chosen specialization.

MAIN CONTENT

English Language Entrance Examination Syllabus

The syllabus for the English language entrance examination for international students is approved by the Academic Council of the Faculty of Linguistics at Igor Sikorsky Kyiv Polytechnic Institute, taking into account the Common European Framework of Reference for Languages.

Syllabus for the subject-specific entrance examination

The program for the specialization entrance examination for international students is approved, taking into account the specific features of the educational programs in the relevant specializations.

FINAL PROVISIONS

Determination of the entrance examination result

The results of the entrance examinations in English and in the specialty are converted from a 100-point scale to a 200-point scale in accordance with the Table for converting test scores into a rating (on a scale of 100–200 points):

Таблиця переведення балів стобальної шкали до шкали 100 - 200

Бал за шкалою 0 - 100	Бал за шкалою 100 - 200	Бал за шкалою 0 - 100	Бал за шкалою 100 - 200
